CRITERIA	
<b>K-9 performs 10 second trained indication on scent source:</b>	<input type="checkbox"/> C <input type="checkbox"/> DNC
<b>Note:</b> If the indication is a recall/refind, the canine must, upon locating the positive scent source, immediately return to the handler and indicate that a positive scent source has been located. The handler will then be permitted to enter the search area in order to return with the canine to the location of the positive scent source.
